## WM. NEVILLE IS MADE NOMINEE

NOMINATED BY ACCLAMATION AT  
MEETING OF DEMOCRATIC  
CENTRAL COMMITTEE

### TICKET STRENGTHENED

One of the ablest Democrats in Co-  
cise County is the nominee for the  
Assembly—Served in Congress  
from a District in Nebraska and a  
Resident of Douglas for Two Years.

The Democratic Central Committee  
was in session in the headquarters of  
the Democratic Central Committee  
last evening for the purpose of filling  
the vacancy made by the resignation  
of Alfred Paul, who had been nominat-  
ed during his absence in the east, on  
the legislative ticket.

The committee supplied the vacan-  
cy by nominating Judge Wm. Neville,  
of Douglas, an able lawyer and a man  
who has in years past represented his  
district from Nebraska in the halls  
of Congress. The selection of the  
candidate to fill the vacancy was prac-  
tically left to the Douglas commit-  
tee, and they unanimously presented  
the name of Judge Neville.

The meeting organized by the selec-  
tion of M. J. Cunningham chairman,  
and C. F. Nichols was chosen secre-  
tary. The letter of Mr. Alfred Paul  
was read reciting the nomination for  
the reason that owing to urgent busi-  
ness affairs it would be impossible  
for him to leave Douglas in January  
for a period of sixty days, if elected.

On motion of Maj. Burton the resig-  
nation was accepted, and nominations  
were declared in order for an Assem-  
blyman. Judge Neville was chosen  
by acclamation at the request of the  
Douglas Democrats, and the action of  
the committee last evening has  
strengthened the Democratic ticket as  
a whole in the Smelter City.

Judge Neville is an able lawyer, and  
his voice will be heard during the re-  
mainder of the campaign in support of  
the regular Democratic ticket.

The committee made no mistake  
last night.

After an informal discussion of other  
matters pertaining to the campaign  
the committee adjourned.

### SCHOONER GOES DOWN

WITH ALL ON BOARD.

Chatham, Mass., Oct. 14.—Driven  
down the coast by the northeast storm  
the Novascotian schooner Wentworth  
was thrown upon Chatham bar last  
night, and today was smashed to  
pieces in the terrific surf.

It is believed that not a soul on  
board was saved. The bodies of a  
man and a woman were recovered to-  
day. It is believed in addition to these  
the ill-fated vessel carried a crew of  
at least eight men, beside her skipper,  
Captain Freddie.

### EL PASO IS THREATENED WITH INUNDATION.

El Paso, Tex., Oct. 14.—The  
Mexican Central sustained an  
another washout today, stopping  
traffic to Mexico City. The  
Santa Fe is not yet open for  
travel, and the Rock Island, on  
account of the transfer at the  
Canadian river, in New Mexico,  
is running late to twelve hours  
late. The E. P. & S. W. to-  
day completed repairs at Aruna,  
where its tie up crippled the  
only road west of here that had  
not to that time suffered.

It is still raining and the Rio  
Grande is within a foot of its  
height of last year. El Paso  
is tonight threatened with in-  
undation, owing to pressure on  
the protecting dyke.

Rev. T. F. McCourtney, of the Ba-  
ptist Church, has returned from his va-  
cation spent in St. Louis and at the  
home of his parents in Clarksburg,  
Missouri, where he attended their  
golden wedding. Mr. McCourtney  
was sixteen days on the road because  
of the Santa Fe washouts. He stated  
that the trip home was very hard.

### DEMOCRATIC RALLY TONIGHT.

RALLY, DEMOCRATS, TONIGHT! ON THE PLAZA, IN  
FRONT OF LIBRARY HALL. THERE WILL BE MUSIC, AND  
COL. FRENCH AND F. A. SUTTER WILL DISCUSS THE  
ISSUES OF THE CAMPAIGN.

AT A MEETING OF THE EXECUTIVE COMMITTEE OF THE  
DEMOCRATIC CLUB LAST NIGHT IT WAS DECIDED TO HOLD  
A DEMOCRATIC RALLY AND RATIFICATION MEETING IN  
THIS CITY TONIGHT, AND COL. FRENCH, OF DOUGLAS, AND  
F. A. SUTTER, OF BISBEE, HAVE CONSENTED TO ADDRESS  
THE VOTERS OF THIS PRECINCT UPON THE ISSUES OF THE  
CAMPAIGN. THE MEETING WILL BE HELD IN FRONT OF THE  
LIBRARY, COMMENCING AT 8 O'CLOCK.

## RESULT STILL IN DOUBT

MUKDEN, OCT. 15.—FIGHTING HAS RAGED TODAY WITH THE SAME BITTERNESS AS PREVIOUS DAYS' ENGAGEMENT.  
THE RESULT IS STILL IN THE BALANCE. THE LOSSES ON BOTH SIDES ARE ENORMOUS, THAT OF THE RUSSIANS BE-  
ING FIFTEEN THOUSAND.

WOUNDED SOLDIERS ARE BEING BROUGHT IN FROM ALL DIRECTIONS. THE ROADS ARE CROWDED WITH LONG TRAINS  
OF BAGGAGE AND TRANSPORT WAGONS, AS WELL AS AMBULANCES, EVERY AVAILABLE VEHICLE BEING PRESSED INTO  
SERVICE, EVEN TWO-WHEELED CARTS FILLING THE MANDATE OF THE MILITARY.

MEN AFOOT ARE LIMPING IN, USING THEIR GUNS AS CRUTCHES. THE LESS SEVERELY WOUNDED SUPPORT THEIR  
COMRADES AFTER FIRST AID DRESSING ON THE FIRING LINE. EVEN ACROSS THE FIELDS YOU MEET THEM TAKING THE  
SHORTEST AND STRAIGHTEST ROAD FOR HELP AND SHELTER.

THIS IS THE MOST PITIFUL FEATURE OF THE BLOODY DRAMA BEING ENACTED AT THE FRONT. STIFFENING WITH  
WOUNDS, PAIN RACKED BODIES SINK TO THE ROADSIDE AFTER THE STIMULUS OF DANGER AND GLORY OF THE ACTIVE  
FIGHTING HAS BEEN WITHDRAWN.

IN THE DISTANCE THE SOUNDS OF BATTLE ARE STILL PLAINLY HEARD. THE RAIN HAS CEASED AND THE SUN IS  
SHINING.

## ST. PETERSBURG DISHEARTENED--TERRIBLE FIGHTS

The main armies of Russia  
and Japan in Manchuria con-  
tinue to be engaged in a ce-  
perate struggle for supremacy  
south of Mukden. On both  
sides there have been such  
losses in killed and wounded  
as mark the contest as one of  
the bloodiest battles in histo-  
ry. Already the losses at  
Liao Yang have been approxi-  
mated, and indications are that  
they will be exceeded.

The Russian advance has  
been converted into a stubborn-  
ly fought retreat. The result,  
according to the Russians, is  
still to be determined. Reports  
from the Russian left wing are  
lacking, leaving room for ques-  
tion if that part of Gen. Kuropatkin's army is not in worse  
extremity than the center and  
right were at any stage of the  
battle. Whole regiments have  
gone down before the fire of  
the enemy.

In official circles there is a  
disposition to argue that even  
should Gen. Kuropatkin be  
obliged to retire upon Mukden  
his position will be as favor-  
able as when the order to ad-  
vance was given on October 8,  
while the Japs' powers of fu-  
ture resistance have been ma-  
terially weakened.

There is no news from Port  
Arthur.

St. Petersburg, Oct. 15.—The great  
feeling of concern which exists in  
high circles in the Russian capital to-  
night by no means equals the fore-  
boding of coming disaster pervading  
the general public, which is indulging  
in the deepest pessimism. In the ab-  
sence of official news the public is be-  
ing fed on the wildest rumors of de-  
feat suffered by Gen. Kuropatkin to-  
day. The general staff, however, by  
no means despairs. Though admit-  
ting that the tide the last two days  
has been against the Russian arms,  
the general staff says the battle is  
not yet over, and that in any event  
there is no question of a rout.

The depressing feature of the situa-  
tion is that every one is willing to  
believe the worst. Thus reports from  
Tokio and elsewhere stating that the  
Japanese are advancing and the Rus-  
sians falling back are accepted with  
faith based upon the previous Russian  
retreats.

The probabilities are the losses on  
both sides will be about equal. Dis-  
patches from the front give vivid pic-  
tures of the desperate character of the  
fighting along the whole line. Guns  
have been captured and recaptured in  
fierce hand to hand fights, while the  
pitiless downpour of rain, the inevit-

able accompaniment of a great battle,  
has flooded the trenches and drenched  
both armies without allaying the ces-  
perate conflict.

The latest word directly from the  
field of battle is a Mukden dispatch to  
the Associated Press, in which 15,000  
Russians are stated as killed or wound-  
ed. Together with the Japanese casu-  
alties this will total to exceed the  
figures of loss at Liao Yang and make  
the fight rank as one of the bloodiest  
battles in history.

An official telegram from the front  
states that the Japanese have captur-  
ed sixteen guns on the right flank of  
the Russian troops on Wednesday,  
though most of them were recaptured.

Gen. Kuropatkin also reports that he  
has ordered the Russian troops on his  
left flank to retire because Jap rein-  
forcements threatened to cut them off.

### OFFICIAL REPORT TO TOKIO

SAYS OUTCOME UNCERTAIN.

Tokio, Oct. 15.—An extended report  
from Manchurian headquarters reach-  
ed Tokio during the night and was  
published in the afternoon.

It records severe fighting during yes-  
terday, and additional Japanese gains.  
Whether the contest is to result in a

second. Benshu continues undeterm-  
ed.

Yesterday a force of Japanese cav-  
alry, commanded by Prince Kanin,  
made a detour of the Russian left flank  
in the rear of Benshu and partially  
scattered the Russian supports.

### RUSSIANS EXHIBIT SPLENDID BRAVERY IN BATTLE.

London, Oct. 14.—The Daily Chroni-  
cle's correspondent at Yantai, tele-  
graphing Oct. 12, via Fusan, October  
14, says: "The Russian attack failed  
at all points. They made sixteen  
counter attacks with splendid bravery,  
sacrificing themselves freely, but un-  
availingly."

### EPISCOPALIANS REFUSE TO AMEND DIVORCE CANON.

Boston, Oct. 14.—The house of de-  
puties of the Episcopal General Con-  
vention at the close of a four days' de-  
bate today rejected an amendment of  
the divorce canon, which amendment  
sought to prevent the re-marriage of  
divorced persons by clergymen of that  
denomination.

### KING OF SAXONY DEAD.

Dresden, Oct. 14.—King George of  
Saxony is dead. No successor in di-  
rect lineage survives him.

## Ordinance Is Promptly Observed

MEATS DISAPPEARED FROM VIEW  
ON THE STREETS WITHOUT  
LOSS OF TIME.

Was Result of Mayor Signing Ordinance—But One Other of Ordinance  
Passed at Last Council Meeting Remains Unsigned

No meats were in evidence yes-  
terday on the streets in front of markets  
in the city, nor was the custom in  
vogue of hauling them through the  
street in open wagons that theretofore  
prevailed.

The change was due to the signing  
of the meat ordinance by Mayor Tay-  
lor and the commencement of its pub-  
lication yesterday. This ordinance  
was among the number passed at the  
last regular session of the council.  
The provisions of the ordinance are strict,  
as will be found by perusal of it on  
another page of this paper. Mayor  
Taylor considered it well before at-  
taching his signature.

But one other ordinance passed at  
the last meeting has not yet received  
his signature. This is the one provid-  
ing for compulsory use of slop cans of  
uniform size and construction through-  
out the city. The Mayor has ex-  
pressed himself as opposed to it. It  
is understood, however, that some  
strong arguments have been brought  
him recently by people interested in  
improvement of the sanitary condi-  
tions in the city, who believe that the  
uniform slop can would be of great as-  
sistance.

## Addition to Fire Limits Rules

SUGGESTION THAT WOULD MA-  
TERIALLY REDUCE INSUR-  
ANCE RATES.

Insurance Man Says All Chimneys  
and Flues Could Immediately Be  
Changed to Profit of Owners—Blue  
Print of District.

Those interested in knowing wheth-  
er they are located in the fire limits  
recently adopted by the city, concern-  
ing the regulations of which an  
ordinance running in the Review tells  
about, can see a blue print showing  
the boundary lines at the office of  
City Clerk Hicks.

A copy of the blue print was taken  
yesterday by J. E. Thompson, for pur-  
pose of sending the same to insur-  
ance company map makers, and it  
will soon appear in the folders issued  
by the insurance companies for the  
guidance of their agents. Mr. Thomp-  
son will have a map made for the of-  
fice of the city clerk, where property  
owners will find it posted for their  
guidance upon its receipt.

In connection with forwarding the  
map, Mr. Thompson said yesterday  
that the adoption of the fire limits or-  
dinance would undoubtedly bring a  
lowering of insurance rates within  
the limits of the district as soon as  
the companies receive the map. He  
further stated that compulsion of im-  
mediate change of all flues and chim-  
neys in the city to conform with the  
terms of the ordinance as to such  
equipment of buildings to be erected  
in the future, would a once cut the  
insurance rates in half, an attain-  
ment that would pay the cost of the  
changes within a year's time. The  
suggestion was made to Mayor Taylor  
and will likely go before the next  
meeting of Council.

The Republican papers are trying  
to make Dell Lewis appear in the light  
of a bolter before his party, but so far  
they have not been able to accomplish  
their purpose. It is presumed too  
much to think that every man on the  
ticket is the personal choice of the

## One Thousand Votes Are Cast

STANDING OF THE CANDIDATES  
IN THE REVIEW VOTING CON-  
TEST LAST EVENING.

New Subscribers Are Being Added to  
the List Who Are Taking Advantage  
of the Opportunity to Vote for Their  
Favorites—Contest Open to All.

The votes in the Review voting con-  
test were counted last evening by the  
committee of business men consisting  
of H. A. Schwartz, C. M. Henkel and  
J. L. Boston.

The number of votes cast has al-  
ready passed the thousand mark, and  
there is an increased interest over a  
week ago. On yesterday ten new  
subscribers were added to the list of  
the Review in the city and the cou-  
pons issued, which were voted for  
several favorites.

The second prize has not yet been  
announced, but it will be in keeping  
with the other elegant and expensive  
prizes offered by this paper. Pa-  
trons of this paper should bear in  
mind that all of the prizes are valu-  
able and useful and the fifth prize in  
the list is a ladies' diamond set gold  
watch. The ladies' tailor made gown  
offered by the Copper Queen will be a  
prize highly appreciated by any lady  
in Bisbee. The standing of the candi-  
dates last evening were as follows:

Ella Arndt	255
Grace Hicks	173

lieves in majority rule, and will abide  
by the decision of his party.

## CHAMPION OF ARIZONA IS HUSSON

SUCH DECISION GIVEN IN WREST-  
LING MATCH AT GYMNASIUM  
LAST NIGHT.

### MERIT OPEN QUESTION

In Matter of Winning, Because Coon  
Was Disabled in Second Round.  
Put Him Out of Contest in Third.  
Said He Will Challenge Hussion as  
Soon as Recovered.

The championship of Arizona,  
wrestling Cornish style, was won last  
night at the Bisbee Gymnasium by  
Ed Hussion, after a hard contest  
through two rounds, the third entry to  
the ring bringing him an easy victory  
because of a sprained wrist sustained  
in the second by Coons.

The contest was witnessed by about  
three hundred people. Among the  
number in the galleries were several  
ladies. Throughout the program of-  
fered for the evening was enjoyed by  
the spectators, the only occurrence  
that marred the occasion being the  
sprained wrist sustained by Coons,  
which detracted from the merit of the  
victory of Hussion.

The program was announced by Dr.  
Broderick. In connection he stated  
that a very appreciable gain had been  
made in the membership of the Gym-  
nasium since the opening night a few  
weeks ago. More than eighty new  
names had been enrolled. The pro-  
gram then opened with a wrestling  
bout, Cornish, between Hooking and  
Brokenshire. Brokenshire won two  
falls out of three and got the deci-  
sion. Riddle and Raison followed,  
catch-as-catch-can. The bout was a  
good one, and heyed the crowd for the  
big event of the evening. Riddle won  
the first fall in 14 minutes by a double  
Nelson from a stand. He took the  
second fall in 6 minutes by a half Nel-  
son and hammerlock.

Hussion and Coon stepped on the  
mattress at 9:10, amid much enthu-  
siasm on the part of the spectators.  
Both men appeared in prime condi-  
tion and eager for the contest. Their  
work was high class throughout the  
18 minutes it took Coon to get an arm  
hug, with which he put Hussion down  
and received award of the first fall.  
Coon money looked good.

The second entry of the wrestlers  
found the spectators at a standstill as  
to opinion regarding the men. That  
they were very closely matched was  
evident. Both came up fresh and  
went to work with scant prelimina-  
ries. The outcome was a fall to the  
credit of Hussion in 13:12 minutes, he  
putting Coone down with a hammer-  
lock and half-elbow twist. In this fall  
Coon sustained a sprained wrist. It  
put him out of the contest, as was  
demonstrated in the third go, which  
he pluckily entered, though his arm  
was already much swollen, without a  
wince. But he was a disabled man,  
suffering much pain, and it was a mer-  
ciful backstep with which Hussion put  
him down in just 8 seconds.

The last event on the card was an  
exceedingly amateurish three-round  
boxing bout between "Deafy" Thomp-  
son and "Dummy" Rowan. The go  
provided much amusement for the  
crowd. In the first round Rowan went  
to the floor for six seconds. In the  
second round Rowan came back for  
blood and put Thompson to the floor  
for 8 seconds. The third round ended  
with honors even.

Dancing followed the close of the  
athletic program, the evening winding  
up most enjoyably. Owing to the ill-  
ness of S. M. Lewis, bassist of the  
quartette which was to have partici-  
pated in the program, the musical  
numbers announced for the occasion  
had to be omitted.

In connection with the decision to  
Hussion, it was said last night that as  
soon as Coon recovers from the in-  
jury to his wrist he will again challenge  
Hussion. The decision last night is  
considered by Coon's friends to in no  
wise give Hussion a meritorious win-  
ning, inasmuch as his opponent was  
unfitted after the second round, at  
which time matters stood at a draw.
